Meal Charge & Modification Policy

Policy Statement: Bay State Community Services' Residential Programs are non-pricing programs. The Residents of our programs will receive meals at no charge to them. This includes breakfast, lunch, dinner, and snacks.

- BSCS Residential Programs do not offer a la cart purchases.
- The residents in our program will never have negative account balances.
- The program staff do not pay for meals.
- Residents and/or guardians may contact their program directors or case managers if they require any meal modifications. There is no charge for any meal modifications.
