

Bay State Community Services hosts the Dorchester-Mattapan Family Resource Center, located in Mattapan, MA. We provide evidence-based parenting classes, education programming, one-on-one support, translation and English-language help, school and IEP support, and other services to families in English, Haitian-Creole, and Spanish.

The Dorchester-Mattapan Family Resource Center is a free community-based service that is designed to be a single point of entry for families with children under the age of 18. FRCs work with parents, children, teens, grandparents, guardians, caregivers, or any other family member or member of the community who may be involved with the family to access behavioral health supports, community services, resources, resolve challenges, strengthen their bonds, connect to others, and engage in their communities.

Thanks to our partnership with the Haitian American Public Health Initiative (HAPHI), we can provide additional specialized programs and services for immigrant families and English-language learners.

Our staff will assess the needs of the family members, recommend FRC services, and help with access to other community services if needed.

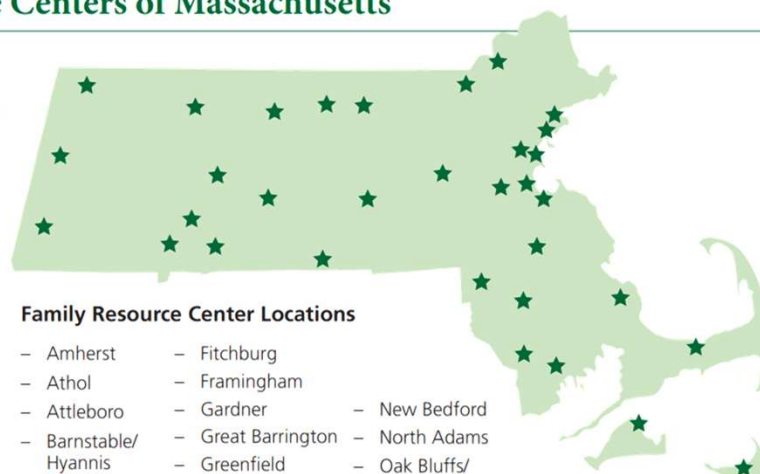

Some of our current programming include:

- Parenting in America for immigrant parents
- ESOL and conversational English classes
- Teen programming
- Nutrition education
- Nurturing Hope for parents of children with disabilities and IEP's
- Career and financial management programming
- Mutual support groups for fathers and men
